

## **VIENNA POLICE HIGHLIGHTS**

**February 19, 2016**

The following summary contains various incidents of general interest as well as vehicular crashes handled by the Town of Vienna, Virginia Police Department from February 12, 2016 – February 18, 2016. Readers are reminded that an “arrest” is based upon probable cause and does not always mean that someone was physically taken into custody. Furthermore, it does not mean that an individual is automatically guilty of a crime. Judicial outcomes and post-arrest proceedings can be researched through the appropriate court’s website.

(VIENNA POLICE HIGHLIGHTS is not meant to be a listing of every incident or call handled by the Vienna Police, but merely a more substantive summary of several incidents, which may be of interest to the community. Some reports may be outside the date parameters due to extended investigations or other circumstances. Some cases are not included at all due to ongoing investigations.
